InfoValue provides IP-based Interactive Video Solution at CuisinArt Golf Resort & Spa

ELMSFORD, N.Y. — June 15, 2012. — InfoValue Computing, Inc. (InfoValue), IPTV experts, today announced their installation at the CuisinArt Resort and Spa in Anguilla. At the premier luxury property, guests now enjoy an IP-based HD TV experience including HD Video-On-Demand (VOD) and a full-featured guest information portal in all of the hotel's rooms and villas.

InfoValue partnered with LIME to bring these next-generation TV experiences to the Caribbean hospitality market.

“We are extremely excited to have been chosen by CuisinArt as their in-room IPTV provider,” said Aubrey Flanagan, Vice President of Business Development at InfoValue. “InfoValue’s customized IP-based interactive HD quality IPTV solution completes the goal for CuisinArt Golf Resort & Spa as one of the most luxurious resorts in Anguilla.”

“The InfoValue SuiteTV system delivers the kind of quality and scope of features guests demand for our in-room digital services,” said Stephane Zaharia, General Manager of CuisinArt Resort & Spa. “CuisinArt Golf Resort & Spa was designed with a very distinctive Mediterranean character while providing guests with the latest in convenience and comfort. InfoValue’s interactive entertainment system contributes to an outstanding experience for our guests.”

InfoValue SuiteTV is a leading edge IPTV solution tailored specifically for the hospitality industry. InfoValue SuiteTV offers personalized guest services ranging from high-quality HDTV VOD to network-based personal video recording (nPVR) and time-shifted television (TSTV). By leveraging the award-winning InfoValue QuickVideo™ platform, InfoValue SuiteTV is uniquely positioned to support hotels in incorporating “quadruple play” services — delivery of TV, video, voice, and data — into their own service and information portal over the converged IP network infrastructure to simultaneously generate new revenues, increase occupancy rates, and reduce operational expenses.
