Infovalue Computing Inc Receives 2012 Best of Elmsford Award

ELMSFORD October 14, 2012 -- Infovalue Computing Inc has been selected for the 2012 Best of Elmsford Award in the Computer Software Development category by the Elmsford Award Program.

Each year, the Elmsford Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Elmsford area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2012 Elmsford Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Elmsford Award Program and data provided by third parties.
